HTML/CSS Customer Support Representative

Dear Hiring Manager,

Please accept this letter as an expression of my interest in the web developer position. I am a highly motivated and progress-focused Web developer with long standing background with this industry. With a track record improvement and dependability. I have devised strategic improvements which I believe will prove valuable to Accrisoft.

I am interested in creating and managing websites and web pages, also in digital web and email marketing, user experience, and marketing automation. Though I am an entry level applicant, I am passionate about doing a good job and receive multiple compliments for efficiency, collaboration and developing skills.

I am enthusiastic and passionate for customer service and technology. I'm also comfortable interacting with customers, addressing their issues and resolving them in a timely and efficient manner.

Throughout the course of my career, I have perfected my Web development and software testing ability. I am capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

Please take a moment to review my attached resume and credentials. I would appreciate the opportunity to speak with you regarding my candidacy.

Thanks for your consideration

Sincerely

Hassan Taiwo
